

Tracy Lam-Hine

✉ lamhine@stanford.edu  <https://orcid.org/0000-0001-9040-2991> ☎ 650-721-4944
📍 1701 Page Mill Road, Room 225.33 (MC 5405), Palo Alto CA, 94304

Academic appointments

- | | |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2024- | Stanford University School of Medicine , Palo Alto, CA
T32 Postdoctoral Scholar, Division of Endocrinology, Gerontology, & Metabolism
Advisers: Dr. Tainayah Thomas, Dr. Michelle Odden |
| 2022- | Postdoctoral Scholar, Department of Epidemiology & Population Health
Adviser: Dr. David Rehkopf |

Education

- | | |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2018-2022 | University of California Berkeley, School of Public Health , Berkeley, CA
Doctor of Public Health, Social Epidemiology
Dissertation Chair: Dr. Amani Nuru-Jeter
Dissertation Topic: Epidemiology of Childhood Adversity - Centering Multiracial Americans in a Critical and Computational Analysis |
| 2016 | University of Washington, Michael G. Foster School of Business , Seattle, WA
MBA, Strategy; Certificate, Global Health of Women, Adolescents, and Children |
| 2010 | University of California Berkeley , Berkeley, CA
BS, Economics; Minor, Public Policy |

Professional experience

- | | |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------|
| 2021-2022 | Stanford University School of Medicine , Palo Alto, CA
Epidemiologist, Center for Population Health Sciences |
| 2019-21 | County of Marin Department of Health & Human Services , San Rafael, CA
Epidemiologist, Division of Public Health |
| 2016-18
2012-14 | REDF , San Francisco, CA
Program Officer
Senior Research Associate |
| 2015-16 | University of Washington START Center , Seattle, WA
Research Assistant, Epidemiology / Global Health |
| 2010-12 | Deloitte Consulting , San Francisco, CA
Business Analyst, Healthcare Strategy and Operations |

Published manuscripts

1. **Lam-Hine T**, Riddell C, Bradshaw P, Omi M, Allen AM. Adverse childhood experiences and indigenous ancestry: investigating sources of disparities in Multiracial population. In press at: *American Indian and Alaska Native Mental Health Research Journal*, 21 February 2025.

4. **Lam-Hine T**, Rehkopf DR, Odden MC, Thomas TT. Racial Differences in Mediation of Childhood Adversity and Subjective Cognitive Decline by Obesity and Diabetes, 2018-2023.

Professional speaking engagements

Conference oral (podium) presentations

1. *Prevalence of subjective cognitive decline among US Multiracial older adults, 2019-2023*. Accepted for presentation at the Annual Meeting of the Society for Epidemiologic Research. Boston, MA. June 2025.
2. *Consideration of Multiracial populations in epidemiologic research*. Annual Meeting of the Society for Epidemiologic Research. Austin, TX. June 2024.
3. *Towards a critical and intersectional Multiracial epidemiology*. Biennial Meeting of the Critical Mixed Race Studies Association. Columbus, OH. June 2024
4. *Using DAGs to imagine dismantling structural racism: turning our gaze upstream*. Annual Meeting of the Society for Epidemiologic Research. Portland, OR. June 2023.
5. *Population-level metrics in racial disparities research: a Multiracial health equity simulation study*. Annual Meeting of the Society for Epidemiologic Research. Portland, OR. June 2023.

Conference poster presentations

1. *Structural racism in local policy contexts and cancer mortality disparities*. Annual Meeting of the Society for Epidemiologic Research. Austin, TX. June 2024.
2. *Supporting leadership development of graduate students of color*. Annual Meeting of the National Conference on Race & Ethnicity in Higher Education. Honolulu, HI. May 2024.
3. *Adverse childhood experiences across Multiracial and monoracial groups: investigating differences by Indigenous ancestry*. Annual Meeting of the Interdisciplinary Association for Population Health Sciences. Baltimore MD. October 2023.
4. *Improving federal racial/ethnic categorization standards: reflections from critical Multiracial theory*. Annual Meeting of the Interdisciplinary Association for Population Health Sciences. Baltimore MD. October 2023
5. *Centering monoracism in a theoretically-grounded pathway forward for multiracial health equity*. Annual Advocacy Summit of the Society for Public Health Education. Virtual. October 2021.
6. *Racial and Ethnic Disparities in COVID-19 Mortality in Marin County, CA*. Annual Meeting of the American Public Health Association. Denver, CO/Virtual. October 2021.
7. *Confirmed COVID-19 case counts increase with increasing SARS-CoV-2 wastewater concentrations: a meta-analysis from community wastewater surveillance in Marin County, CA*. Annual Meeting of the American Public Health Association. Denver, CO/Virtual. October 2021. **Best student poster award**, Environment section.
8. *Association between trends in community COVID-19 wastewater surveillance and confirmed cases in Marin County, CA*. Annual Meeting of the Council of State and Territorial Epidemiologists. Virtual. June 2021.
9. *Toxicology Reports and Applied Substance Use Epidemiology*. Annual Meeting of the American Public Health Association. San Francisco, CA/Virtual. October 2020.
10. *Linking toxicology reports with death certificates to improve drug overdose mortality surveillance*.
 - o United States Department of Justice, San Francisco, CA. November 2019.
 - o California Department of Public Health Opioid Data Task Force, Sacramento, CA. October 2019.
 - o Marin County RxSafe Opioids Safety Law Enforcement Training, San Rafael, CA. August 2019.

Invited presentations and panels

1. *The causal roadmap and research on structural racism*. Invited speaker, Preterm Birth International Collaborative (PREBIC) Health Disparities Summit. Accra, Ghana. April 2026.
2. *Health of the US Multiracial population: demographics, determinants, and disparities*. Invited speaker, University of Maryland College Park Multiracial Involvement and Community Advocacy (MICA) Multiracial Heritage Month Program. March 2025.

3. *Surveillance of Local Structural Racism/Antiracism Related Policies, San Francisco Bay Area 2024*. Invited speaker, Upstream Research Center Regional Coalition Meeting. Virtual. October 2024.
4. *Structural racism/antiracism in municipal policies and racial disparities in cancer survival, Northern CA 2024*. Invited speaker, UCSF Disparities Research: Environment And Multi-omics (DREAM) Lab, Department of Epidemiology and Biostatistics. San Francisco, CA. October 2024.
5. *Local policy surveillance for racial disparities research*. Invited speaker, Stanford-UCSF-UC Davis Upstream Research Center Annual Meeting. April 2024.
6. *Asking MultiCrit Questions: A Reflexive and Critical Framework to Promote Health Data Equity for the Multiracial Population*. Invited speaker, Latest in Public Health Research Series, Berkeley Public Health. Berkeley, CA. March 2024. Recording: <https://www.youtube.com/watch?v=3wRuylo4eSM>
7. *Association between a novel database of local policies and structural racism in Solano County, CA*. Invited speaker, Stanford Epidemiology & Population Health Research Meeting. Palo Alto, CA. February 2024.
8. *Vaccines, boosters, and the AAPI community*. Invited panelist, Fred Korematsu Day of Civil Liberties and the Constitution, Fred T. Korematsu Institute. San Francisco, CA/Virtual. January 2022.

Other non-research professional presentations

1. *Public-private partnerships to build a regional hiring partnership for people with barriers to work*. Social Enterprise Alliance National Conference. Los Angeles, CA. October 2017.
2. *Business for good: an overview of social enterprise impact*. University of Texas, Austin Business for Good Summit. Austin, TX. April 2017.
3. *Measurement and evaluation of social enterprise programs*. REDF Portfolio Retreat. Chicago, IL. October 2017.
4. *Performance Management and Accountability in Global Primary Health Care Delivery*. 13th Annual Western Regional International Health Conference. Seattle, WA. April 2016.
5. *Using logic models for program planning and evaluation*. REDF Portfolio Retreat. San Francisco, CA. October 2016.
6. *Family Planning Survey Cost Analysis: A Review of Costs and Cost Structures of Household Surveys in LMICs*. University of Washington Global WACH End of Year Event and Poster Session. Seattle, WA. June 2016.
7. *Preliminary results from Mathematica Jobs Study of REDF social enterprises*. REDF Portfolio Retreat. Los Angeles, CA. October 2013.

Working papers (not peer reviewed)

1. **Lam-Hine T**, Muni KM, Babigumira J. *Review of Isoniazid Preventive Therapy, Latent TB Interventions, and Cost-Effectiveness of Active Case Finding Programs*. Bill and Melinda Gates Foundation. Seattle, WA. June 2016.
2. Farley J, **Lam-Hine T**, Veenapani A, Newcomb P. *Reasons for Non-Use and Discontinuation of Contraceptive Methods in Global Settings*. Bill and Melinda Gates Foundation. Seattle, WA. June 2016.
3. Veenapani A, Chen D, **Lam-Hine T**, Long J, Dooley E. *Mobile Technology for Adolescent Sexual and Reproductive Health*. Bill and Melinda Gates Foundation. Seattle, WA. March 2016.
4. Osterman A, **Lam-Hine T**, Dooley E, Babigumira J. *Costs and Cost Structures of Domestically Financed Family Planning and Household Surveys*. Bill and Melinda Gates Foundation. Seattle, WA. February 2016. Seattle, WA.
5. **Lam-Hine T**, Chen D, Osterman A, Veenapani A, Dooley E. *Evidence Review of Performance Management and Accountability in Global Primary Health Care Delivery*. Bill and Melinda Gates Foundation. Seattle, WA. December 2015.

Policy advocacy efforts

1. Collection of data on Multiracial populations in BRFSS (Behavioral Risk Factor Surveillance System): Letter to the Coordinators. DOI: <https://doi.org/10.17605/OSF.IO/P8R67>

Research support

8/2024-25	Rutgers Department of Psychology (2024 Small Research Awards) <i>Title:</i> Historical antimiscegenation laws and chronic disease disparities in the US Multiracial population <i>Role:</i> Principal investigator and grant recipient <i>Amount:</i> \$1,000
10/2023-25	Stanford-UCSF-UC Davis Upstream Research Center (2023 Pilot Grant) <i>Title:</i> Structurally racist policies and cancer mortality disparities in Northern California persistent poverty communities <i>Role:</i> Pilot grant recipient <i>Amount:</i> \$116,000

Professional Service

	Editorial Service
<i>Ad hoc reviewer</i>	<i>Nature Human Behavior</i> (IF = 29.9), <i>American Journal of Preventive Medicine</i> (IF = 5.5), <i>Death Studies</i> (IF = 3.8), <i>Journal of Black Psychology</i> (IF = 3.7), <i>Journal of Child and Family Studies</i> (IF = 3.1), <i>Journal of Pediatrics</i> (IF = 6.3),
	Service to Funding Agencies
2023	<i>Scientific Reviewer</i> , Stanford Center for Population Health Sciences Spectrum Pilot Grants
	Service to Professional Organizations
2023-	<i>Conference Abstract Reviewer</i> , Interdisciplinary Association for Population Health Sciences Annual Meeting 2023
2022	<i>Scientific Adviser</i> , Hawai'i State Department of Health Family Health Services Division Title V Block Grant

Professional organization membership

2023-	Member, Critical Mixed Race Studies Association
2022-	Member, Social Policy and Aging Lab, Stanford University
2022-	Member, Interdisciplinary Association for Population Health Sciences
2022-	Member, Society for Epidemiologic Research
2020-2022	Member, HEARTS Research Group, University of California, Berkeley
2019-	Member, American Public Health Association
2019-2021	Member, Council of State and Territorial Epidemiologists

Honors and awards

	University of California Berkeley, School of Public Health
2022-24	Committee on Teaching Excellence Honoree
2018-22	Kaiser Permanente Community Health Leadership Fellow
2021	Outstanding Graduate Student Instructor Award; Intermediate Epidemiology
2021	Cheri Pies Life Course Award
2020	Mayhew and Helen Derryberry Endowed Fellowship
	American Public Health Association
2021	Best Student Conference Poster Award
	University of Washington
2016	Magna Cum Laude

Advising and mentorship

2023 **Mentor**, Stanford University School of Medicine
Advancing Health Equity and Diversity (AHEaD) Fellowship

Teaching experience

Lecturer, UC Berkeley School of Public Health
2024 Health and Social Behavior Breadth (graduate, enrollment = 140)
2024 Social Epidemiology (graduate, enrollment = 25)
2024 BIPOC Perspectives on Public Health Leadership (graduate, enrollment = 17)
2022 Public Health Leadership (graduate, enrollment = 43)

Head Graduate Student Instructor, UC Berkeley School of Public Health
2020 Introduction to Epidemiology, Dr. Sandra McCoy

Graduate Student Instructor, UC Berkeley School of Public Health
2021-22 Public Health Leadership, Dr. Audrey Cristobal & Grace Turkis
2021-22 Public Health Negotiations, Amy Slater
2020-21 Public Health Program Planning, Dr. Sharon O'Hara
2020 Intermediate Epidemiology, Dr. Jennifer Ahern
2019 A Sustainable World, Dr. Marlon Maus
2019 Teaching Seminar, Dr. Marlon Maus

Guest (Invited) Lecturer
2022-24 Public Health Program Planning, Drs. Sharon O'Hara & Brigid Cakouros (UC Berkeley)
2021-23 Social Epidemiology, Drs. Anoop Jain & Carly Strouse (UC Berkeley)
2023 Public Health Leadership, Dr. Jennifer LaChance, Grace Turkis (UC Berkeley)
2022 Social, Political, and Ethical Issues in Public Health, Dr. Ann Keller (UC Berkeley)
2021 Youth Equity Scholars Seminar, Drs. Emily Ozer, Colette Auerswald (UC Berkeley)
2020 Introduction to Epidemiology, Dr. Catherine Duarte (San Francisco State University)
